

223.370-4

(b) This policy is implemented by DoD Manual 4145.26-M, DoD Contractors' Safety Manual for Ammunition and Explosives, which is incorporated into contracts under which ammunition and explosives are handled. The manual contains mandatory safety requirements for contractors. When work is to be performed on a Government-owned installation, the contracting officer may use the ammunition and explosives regulation of the DoD component or installation as a substitute for, or supplement to, DoD Manual 4145.26-M, as long as the contract cites these regulations.

48 CFR Ch. 2 (10-1-06 Edition)

223.570-2 Contract clause.

(a) Use the clause at 252.223-7004, Drug-Free Work Force, in all solicitations and contracts—

(1) That involve access to classified information; or

(2) When the contracting officer determines that the clause is necessary for reasons of national security or for the purpose of protecting the health or safety of those using or affected by the product of, or performance of, the contract.

(b) Do not use the clause in solicitations and contracts—

(1) For commercial items;

(2) When performance or partial performance will be outside the United States and its outlying areas, unless the contracting officer determines such inclusion to be in the best interest of the Government; or

(3) When the value of the acquisition is at or below the simplified acquisition threshold.

Subpart 223.8—Ozone-Depleting Substances

223.803 Policy.

(1) *Contracts.* No DoD contract may include a specification or standard that requires the use of a class I ozone-depleting substance or that can be met only through the use of such a substance unless the inclusion of the specification or standard is specifically authorized at a level no lower than a general or flag officer or a member of the Senior Executive Service of the requiring activity in accordance with Section 326, Public Law 102-484 (10 U.S.C. 2301 (repealed) note). This restriction is in addition to any imposed by the Clean Air Act and applies after June 1, 1993, to all DoD contracts, regardless of place of performance.

(2) *Modifications.* (i) Contracts awarded before June 1, 1993, with a value in excess of \$10 million, that are modified or extended (including option exercise) and, as a result of the modification or extension, will expire more than one year after the effective date of the
